LOCAL NOTICE TO MARINERS

No. 03 of 2022 – Inner Harbour Partial Pontoon Closure

Beginning on or around the 9th of February 2022 substantial repairs and improvements will be made to the lower boardwalk walkway in front of the Senedd.

In order to facilitate these works a floating access structure will be utilised to allow contractors to work underneath.

For the duration of the works the area on the inside of the pontoon (see attached plan) will be closed for mooring. The rest of the moorings will continue to be available for mooring as usual. Works are expected to be completed by the end of April.

Mariners are reminded that CCTV is in operation at the Barrage for operational and health and safety reasons. All CCTV images and VHF transmissions are recorded.
